As one of the leading **trade fairs for rehabilitation, therapy, care and inclusion**, REHAB provides inspiration and showcases technical developments, solutions and services that improve quality of life and participation for people with disabilities. It has been a key date in the industry calendar **for over 45 years** and has established itself as a major meeting point every two years for **innovative medical aids** and **assistive technologies for adults** and **children with limited mobility**.

Themed marketplaces provide orientation and encourage dialogue. The trade fair is all about specialist discussion, providing a sound overview of the market and new inspiration for everyday care. **Try, test, discuss** – that is the motto of REHAB.

“REHAB in Karlsruhe is **one of the most important events** for us. With **lots of visitors and outstanding organisation**, it is the ideal platform for us to present our latest products. Every time, we look forward to seeing familiar faces again and enjoying discussions in a relaxed atmosphere.”

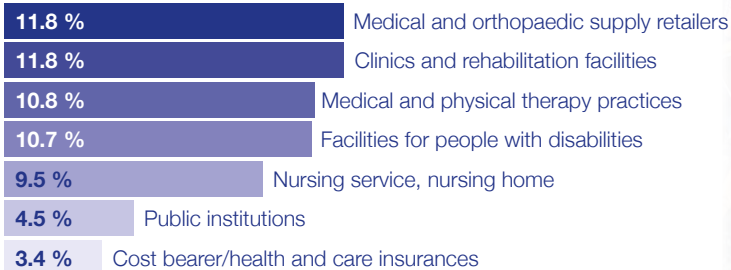

Stefan Schäfer, Head of Sales and Marketing
