for Matters relating to
Persons with Disabilities

23 – 25 June 2022

Karlsruhe Trade Fair Centre

REHAB

REHAB Karlsruhe has been one of the biggest and most significant trade fairs for rehabilitation, therapy, care, and inclusion since 1980. Every two years, specialists from all over Germany and neighbouring countries come to Karlsruhe to find out about the **latest trends in rehabilitation technology, innovations in the assistive technology industry,** and **new therapy options** as well as to take advantage of **further training opportunities.**

As a platform for exchange between **manufacturers, specialist dealers, therapists, doctors, care professionals, service providers** and **associations** as well as **people with disabilities and their carers,** **REHAB** is a firm fixture in the industry's calendar and, on a two-year cycle, has established itself as **THE most important platform for high-quality mobility aids and children's aids** from Germany and other European countries.

Why you should visit **REHAB 2022!**

As a professional visitor, REHAB offers you ...

... a three-day focused overview of the trends and new products on the market for assistive aids.

... an interdisciplinary exchange with colleagues and other specialists in the care and rehab sector.

... personal contact on location to people with disabilities and relatives providing care.

... a platform for advancing professional aspirations. Seize the opportunity and extend your knowledge and skills in numerous workshops and specialist lectures.

Information on your specific interests is available at:
www.rehab-karlsruhe.com/visitors

REHAB offers people with disabilities and relatives providing care ...

... a place to meet in a homely atmosphere.

... comprehensive and competent advice and support from numerous manufacturers, dealers, therapists and self-help groups.

... information on financing assistive aids as well as on inclusion and rehabilitation.

... a platform for discovering a wide diversity of assistive aids as well as testing and trying them out on a test track.

REHAB in numbers

Expected **2022**:

approx. **350 exhibitors**

40,000 m² gross
exhibition area

2019 in review*:

47% of the exhibitors present
